EB-94
Relations with Designated Operational and Applicant Entities

Topics

- **Issues of the Annotated Agenda**

Annex 6: Digitization of Forms

- In case further development is requested, we offer to provide input to the road-testing phase
- It might also be considered having entries for DOEs at the "questionnaire section" of the digitized forms

Annex 8: MRV Approaches

- Joint sampling/surveys
  - Provide clarity which DOE(s) to validate the results, if more than one PP/CME is involved
  - Consider the inclusion of DNAs like in the tool for calculating the emission factor

Thank you for your attention!
